IN THE MATTER OF THE
LICENSE OF:

FLORENCE R. DAVY

TO PRACTICE RESPIRATORY CARE IN
THE STATE OF NEW JERSEY

Administrative Action

CONSENT ORDER

This matter was opened to the New Jersey State Board of Respiratory Care upon the application of Florence R. Davy for a permanent license to practice respiratory care in the State of New Jersey. In connection with that application, Ms. Davy acknowledged that she had been practicing respiratory care in the State of New Jersey since her temporary license expired May 1, 1996 without having obtained a permanent license to do so.

The Board having considered the aforesaid information, and the parties being desirous of resolving this matter without the necessity of further formal proceedings, Ms. Davy, having waived any right to a hearing in this matter, and the Board finding that the within Order is adequately protective of the public health and that good cause exists for its entry:

IT IS ON THIS 8 DAY OF October 1996,

ORDERED that a license to practice respiratory care in the State of New Jersey shall be issued to Ms. Davy, with conditions as specified in this Order, and it is further

ORDERED that Ms. Davy shall, contemporaneously with the filing of this Order, pay the biennial registration fee of \$180.00 and a civil penalty in the amount of \$250.00, by certified check or money order payable to the Treasurer of the State of New Jersey and forwarded to the office of the Board of Respiratory Care.
